

**CITY OF SIMI VALLEY
MEMORANDUM**

November 8, 2021

TO: City Council**FROM:** Office of the City Manager**SUBJECT:** PUBLIC HEARING ON THE REDISTRICTING PROCESS AND TO RECEIVE INPUT FROM THE PUBLIC FOR THE REDRAWING OF ELECTION DISTRICT BOUNDARIES**STAFF RECOMMENDATION**

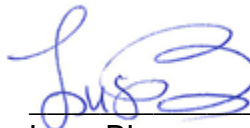

It is recommended the City Council continue this public hearing to December 20, 2021.

BACKGROUND AND OVERVIEW

Due to technical issues and the overwhelming number of California cities involved in redistricting, the City's redistricting consultant has been unable to make available the mapping tool for residents to use to propose district boundaries.

The next public hearing for the City's redistricting process is scheduled for December 20, 2021. It is anticipated that the mapping tool will be made available before this date, thus allowing for the public to submit proposed district boundaries for this hearing. Therefore, it is recommended that the City Council continue tonight's public hearing until December 20, 2021.

Should the mapping tool remain unavailable for the December 20, 2021 hearing, staff will return with a modified schedule for the redistricting process. The redistricting of the City needs to be completed by April 17, 2022.
